# Save the Date!

## June 4-7, 2026

Join the Ladies Fish-Off as we reel in 40 years of Lady anglers, great catches, and giving back to amazing South Florida charities!

# CELEBRATING 40 YEARS!

## Organization & Event History

Founded in 1986, the Ladies Annual Fish-Off is a 501(c)(3) nonprofit and one of South Florida's longest-running ladies-only saltwater fishing tournaments. Organized entirely by volunteers, the tournament brings together female anglers of all ages to celebrate fishing, family, and community while giving back to meaningful causes. Over the past 40 years, the Ladies Fish-Off has raised more than \$645,000, with 100% of proceeds donated directly to its beneficiaries. This year, tournament funds will support The Flite Center, which assists youth aging out of foster care, and The Billfish Foundation, dedicated to global billfish conservation. Now among the largest fishing tournaments in South Florida, the Ladies Fish-Off continues to grow annually, welcoming boats, anglers, families, and sponsors who share a passion for community impact, conservation, and empowering women in fishing.

# Our Charitable Partners

## The Billfish Foundation

Founded in 1986, The Billfish Foundation (TBF) is a global nonprofit organization dedicated to the conservation of billfish and the sustainability of marine ecosystems worldwide. TBF is best known for its internationally recognized Tag & Release Program, established in 1990 and now the largest billfish tagging program in the world, with more than 260,000 billfish tagged and over 10,000 new records collected annually.

Through a science-based, multidisciplinary approach that integrates research, policy, and education, TBF plays a leading role in fisheries management and conservation efforts. The organization actively participates in national and international policy forums, including NOAA advisory panels and international fisheries commissions, and has been instrumental in protecting key conservation zones in the Atlantic Ocean and Gulf of Mexico. In addition to traditional tagging, TBF supports satellite tagging research to better understand billfish migration, habitat use, and survival.

Education is central to TBF's mission. Through angler outreach, youth publications, and public engagement, TBF promotes responsible catch-and-release fishing and ocean stewardship to ensure healthy billfish populations for generations to come. TBF is proud to partner with the Ladies Fish-Off in advancing conservation while celebrating sportfishing traditions.

## The FLITE Center

FLITE (Florida Independence, Training & Education) Center was created in 2009 with the intent of offering comprehensive access to services for youth aging out of foster care. FLITE Center has become the hub of all support services for our vulnerable youth to become successful adults within a safe, nurturing environment that promotes personal growth while developing practical life skills. FLITE Center is Broward County's one-stop resource center offering all supportive services. FLITE Center ensures that our youth develop essential skills and competencies in daily living, decision-making and interpersonal communication; crucial modules to begin building their lives as productive members of the community.

At our Center, we offer a single, convenient point of access to the broad range of services and support systems needed by our youth to become successful adults. Upon arrival at FLITE Center, each youth is assisted with their individual needs in the following programs: education, employment, housing, health and wellness, resource navigation and system of care coordination. Our mission is to guide those aging out of foster care and other vulnerable youth for a successful journey to independence through education, employment, housing health and wellness, and system of care coordination. Learn more at: [www.flitecenter.org](http://www.flitecenter.org)

# Why be a Sponsor?

The Ladies Fish-Off is a 501C3, organized exclusively by volunteers. Our beneficiaries depend upon the generosity of the businesses and the individuals in our community, people like you, to provide donations and support to the people and children in need in our local neighborhoods. This year money raised during the event will be donated to The Flite Center and The Billfish Foundation. With your help we can continue to support the people in need in our community. As a sponsor, not only will you get recognition in the communities you serve, you will feel good about promoting and benefiting a truly worth-while cause.

## Sponsorship Opportunities

We kindly ask for cash or in-kind donations, both are eligible for sponsorship advertisement in event publications. Our gracious donors will have ads featured on our website, sponsored reels and social media promotion. Donors like you are what makes our tournament possible. Your cash and in-kind donation not only ensures the tournament's success, but supports our South Florida community as well. We hope that you will join us in sponsoring the **40th Ladies Fish-Off** and make this year our best year yet!

## In-Kind Donations

Not all donations to the Ladies Fish-Off have to be monetary. In-kind donations are just as important and needed (they make for great silent auction and gift basket items) and they are always welcome. Your in-kind donation can be many things - gift certificates, products, even labor. Our Silent Auction is always a fun part of the Ladies Fish Off and it helps our overall fundraising. It's a great way to gain exposure for your brand, product or service and gain new customers. Send an email [ladiesfishoff@gmail.com](mailto:ladiesfishoff@gmail.com) if you have questions about our Silent Auction.

## SPONSORSHIP OPPORTUNITIES

While our Tournament participants will be winning big cash prizes, the real winners are our two beneficiaries The Billfish Foundation & FLITE Center. Help us make this year another huge success!

**\$10,000**

**TITLE SPONSOR**

**\$7,500**
